

Technical drawing of a mechanical part, likely a camera lens or projector head, showing a side view with dimensions and labels.

Dimensions (mm):

- Overall width: 127
- Distance from left edge to center of first hole: 60
- Distance between centers of first two holes: 50
- Distance from center of second hole to right edge: 0
- Distance from center of second hole to right edge: 25
- Distance from center of second hole to right edge: 50
- Distance from center of second hole to right edge: 28.5

Labels:

- Lochkreis $\phi 285$
- Revolverscheibe $\phi 330$
- max. Flugkreisdurchmesser 470

Other features:

- A 15° angle is indicated on the left side.
- The drawing includes a dashed line indicating the center of the part.
- There are three circular holes of different sizes.
- The part has a complex, multi-faceted shape.
