

Technical drawing of a mechanical part, showing a side view and a top view.

Side View Dimensions:

- Top diameter: $\varnothing 50$
- Top flange thickness: 21.05
- Main body length: 286.05
- Bottom flange thickness: 42.5
- Bottom flange inner diameter: 17.5
- Bottom flange outer diameter: 35

Top View Dimensions:

- Overall diameter: $\varnothing 98.425$

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions and a detail view.

The main view is a side elevation of a U-shaped component. The total width is $\varnothing 95$. The distance between the inner vertical faces is 120. The top flange has a thickness of 25, and the bottom flange has a thickness of 25. The central vertical section has a width of 0.

A detail view of the top flange shows two circular features, each with a central hole, and a label "Werkzeuganschlag" pointing to them.
